

AUTOMATIC TRANSMISSION FLUID

BRAVOIL™

Technical Data Sheet

SYNTOPOWER PSF

PRODUCT DESCRIPTION:

Syntopower PSF is a high-quality, fully synthetic oil that is specifically formulated for power steering and suspension units. It is created with a special blend of anti-shudder additives, dispersants, and seal swell additives, combined with a unique synthetic base oil. This formulation provides superior wear protection, extends the service life of the power steering system, and minimizes viscosity loss.

APPLICATION:

Syntopower PSF is specifically formulated and highly recommended for use in Honda motor vehicles, as well as Rover models 416i, 825, and 827 that utilize Honda power steering components. It is also suitable for high-performance applications in other vehicles, such as the Ford Tickford series, AU, BA & BF XR, FPV, and Territory SX-SY series vehicles. This fluid is made with synthetic base oils and has a higher viscosity to effectively reduce pump wear and preserve steering feel, particularly in scenarios where additional heat and load are expected.

FEATURES & BENEFITS:

- Correct viscosity for Honda Power Steering units
- Compatible with OEM fluid
- Reduces power steering shudder (noise & chatter)
- Extends seal and hose life
- Multiple use power steering & suspension
- Long Service life
- Protects against rust and corrosion

PERFORMANCE LEVELS / MEETS OR EXCEEDS:

- Ford M2C134-C
- Ford M2C134-D
- Honda PSF-II
- Honda PSF-S
- Honda PSF-V

TYPICAL PROPERTIES:

PARAMETERS	ASTM	UNIT	SYNTOPOWER PSF
KV@ 104°F /40°C	D7042	cSt	TBR
KV@212°F /100°C	D7042	cSt	11.7
Viscosity Index (min)	D2270	-	140
Density @15°C	D4052	g/cm3	TBR
Flash Point (min)	D92	°C	200
Pour Point (max)	D97	°C	-42

DISCLAIMER:

The test data provided is not a final specification; rather, it serves as a guideline and may vary within acceptable production tolerances. Bravoil reserves the right to modify this test data. Any updates will supersede previous versions, so please refer to the most recent Technical Data Sheet (TDS).

HEALTH & SAFETY, ENVIRONMENT:

Prolonged and repeated contact with oil may cause skin disorders. Avoid contact. Wash immediately with soap and water. Do not discharge used oil in to drains or the environment. Dispose to an authorized used oil collection point. For further Information on Safety Guidelines please refer to MSDS available on our website www.bravoil.ae

HEALTH & SAFETY:

This product is not likely to present any significant health or safety hazards when properly used in the recommended application and good standards of personal hygiene are maintained. Reference is made to the Safety Data Sheet (SDS) which is available on request via your local sales office or via the internet www.bravoil.ae

PROTECT THE ENVIRONMENT:

Take used oil to an authorized collection point. Comply with local regulation. Do not discharge into drains, soil or water.

STORAGE:

We recommend to store all packages under cover. In case outside storage is unavoidable, drums should be laid horizontally to avoid the possible ingress of water and damage to drum markings. Products should never be stored above 60°C, exposed to hot sun or freezing conditions.
